Howdy Area X FFA,

I feel I have been a part of Area X since I was born. As the son of an Ag Teacher, my extended family has always been the FFA. Some of my fondest memories have happened right here with Area X. As an FFA member, I have been inspired, empowered and engaged by the Area X officer teams.

Now, it’s my turn to inspire, empower and engage the future of Area X.

If you’ve met me, you know I am never without my smile. I believe that one smile can start a friendship and one person can change your life. No matter what, I will always keep smiling and I will always be here to be your friend.

I hope I can change your life this year and Area X – I hope you can change mine.

Howdy Area X FFA,

Since before I could walk I could be seen around stock shows, leaderships camps or AG shops. My dad is a former AG Teacher so dedication, commitment and having a great work ethic is no stranger to me. I know what it takes to be a leader and I have a willingness to learn what it takes to be the best Area X FFA President.

Having a positive attitude is extremely important to me, even in my daily life. Some of my hobbies include: quoting The Office, referencing Vines, writing corny jokes #kailynskornyjokes and promoting agriculture.

I am asking for your vote today. Not only to help me to achieve a dream I've had since I was little, but to help build a great FFA Officer team for the Area X Association.

Howdy Area X FFA,

My name is Hannah Little, I am proudly representing The Orange Grove FFA Chapter and The Mesquite District, and I want to be your next Area X FFA President. Through my involvement in FFA, I have made lifelong friendships, travelled across the country, and learned leadership skills that I will use to serve YOU throughout my year of service. From serving as Coastal Bend District President, to being selected as a Drum Major for the National FFA Band, I have learned that FFA is not just about sows, cows, and plows, but geared toward teachers, beakers, and job seekers as well. Through my experiences over the past three years, the FFA has shown me the value in helping others, and that is exactly what I want to do for the Area X FFA Association. Please help me continue on this path of leadership and service by selecting me as your next Area X FFA President!

Sincerely,

Hannah Little

My name is Bella Alaniz from the Sharyland Pioneer FFA Chapter and the Rio Grande Valley District. Our Area has over 13,000 members and I'm excited and privileged to get the chance to serve each and every one of you as an Area X Officer. The FFA organization gives us many opportunities to develop premier leadership, personal growth, and career success. Everyone here is a leader and has taken advantage of these opportunities. Continuing to be active in the FFA will expand your horizons. I believe that with all of us working together, our Area X can reach those new horizons. With your support, I would be honored to work with all of our seven districts and local chapters to ensure that the Muy Bien Area X is proudly represented. Please join with me as your new Area X President and we will experience the beautiful view from those new horizons.

Howdy Area X FFA,

Welcome to the 2017-2018 Area X FFA Convention! My name is Jennifer Calderone, and I am proudly representing The Seis Rios District and The Pettus FFA Chapter. I am pleased to welcome you to another year of making history! As we come together to mingle with others, consider all of the opportunities we have in store for us; with new Districts, new Members, and new Goals - ***The Possibilities Are Endless.***

Having served 3 years as a Chapter Officer and 1 year as the Gateway District Treasurer, I know that I can bring you the responsibility, dedication, and determination that is not only needed, but expected, from a Texas FFA Area Officer. I want to truly show you what it means to be the, ***“Muy Bien Area X.”***

Through my four years of growing and learning as an FFA Member, I have prospered into the student and leader that I have aspired to be. My passion for FFA is something that I love to share with everyone, and given the chance, I will share it with you. I am so grateful for the opportunity to run for Area X FFA President and I strongly encourage you to allow me to lead you into a future of ***SUCCESS.***

Greetings Area X FFA,

Welcome to the Area X FFA Convention! Since I was a young girl, I've envisioned this very opportunity. I imagined what it would take to reach the goal of serving as an Area X Officer. Through the mentorship of others, I recognized that the process was more than just building a resume or taking an exam. The development of a servant-leader must come from the cultivation of one's character. Mahatma Gandhi once said, "Your beliefs become your thoughts, your thoughts become your words, your words become your actions, your actions become your habits, your habits become your values, your values become your destiny." I want to serve Area X with that same mindset. I understand that as your leader, my beliefs, thoughts, words, actions, habits, and values...ultimately become a piece of Area X's destiny. I take this responsibility very seriously and it would be an honor to serve as your Area X President.

Sincerely,

Emma Mosley – Area X Officer Candidate

Howdy Area X FFA!

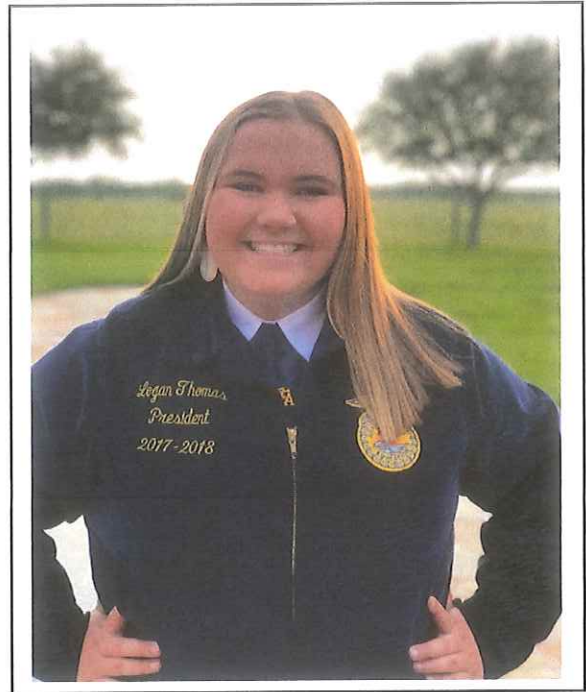

Welcome to the 2018 Area X Convention and Banquet! Thank you for being a part of such a great organization that is near and dear to my heart. I hope you enjoy your time here today, and I look forward to getting to meet and interact with all of you!

According to the dictionary, a talent is a natural endowment of a person. It is an ability or natural capacity that can range from our creativity to our athletic abilities. We all have them, but we are not always so good at identifying what they are. Sometimes they can be right in front of us, and we miss them.

As your 2018-2019 Area X President, I want to make it my mission to help you discover your FFA talent. Whether it's through contests, your SAE, or just your overall FFA experience, let's discover your hidden talent together! After all if you can determine what your talents are, you can tap into amazing resources that can help you in every aspect of your life including FFA!

Howdy Area X,

I have a question for you, have you ever had that feeling that you were put on this earth for a reason? Over the years, I have come to the realization that I have a passion for not only the agriculture industry but helping others discover their true potential. I live my life by the 10 most powerful 2 letter words, "If It Is To Be, It Is Up To Me." We are at the point in our lives where we can impact the lives of many. We need to make it our goal to reach higher than ever before, TOGETHER we can make tomorrow better than yesterday. I believe whole heartedly that we are capable of the impossible and are capable of changing the world. Today, I am not just asking you for a vote, I am asking you to believe in me the way I believe in this industry and to help me reach a goal.

Dear Area X FFA Association,

It is an honor and a privilege to be here today at the Area X FFA Association Banquet and Convention to celebrate and continue our traditions of growth and success in this amazing organization.

The FFA organization has made a substantial impact on my life, so I strive to ensure that my fellow members receive the opportunity to maximize their time in this program. I strongly believe that hard work and determination, service and kindness, friendships and connections with other members, and leadership and personal growth make up the keys to reaching your potential in the FFA. As your next Area X FFA President, I will work my hardest to assist you on your journey to taking these key concepts and unlocking the doors to a promising future.

It is a blessing to be here today with you, the greatest area in the state of Texas, and I look forward to an exceptional year at your service.

Sincerely,

Abbie Lanier

Hola, Area X!

I am Daniela Molina from the Eagle Pass FFA chapter and the Wintergarden District. Throughout my life I have been a part of many activities and organizations in my school and community, but not a single one of them compares to the FFA. As a member, it is sometimes hard to recognize the innumerable possibilities we have to improve ourselves and our industry. Yet, if we will simply believe in what this organization holds and what it can do, each and every one of us can achieve great things.

FFA members, I would like to encourage you to recognize these amazing opportunities and do as Mahatma Ghandi said, "Be the Change you want to see in the world." Together, with hard work, dedication, and faith we can become that change in our chapters, schools, and communities! So please vote for me as your next 2018-2019 Area X FFA President and let's make this year one to remember!

Your Amiga,

Daniela Molina
